A TRULY CATHOLIC PILGRIMAGE

A pilgrimage to Italy is a walk into layers of history, art, human drama, and deep faith. Your feet touch soil left by ancient Romans 3,000 years ago as you walk in the footsteps of martyrs, saints, popes, and ancient civilizations. See where the foundations of the Catholic faith are displayed to the eyes of the world. Come visit the places where the saints healed the sick, grew the faith, and where the Church still proclaims the gospel of Christ in all its glory.
